## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake View Middle School incorporates grades five, six and seven. We believe our entire school had a very positive, productive and successful year 2010-2011. Lake View Middle had implemented a number of positive programs and activities in order to improve PASS readiness and scores. We met Average Yearly Progress (AYP) for the past two years.

Our students were involved in many activities that were of benefit to them and the community. One such service-learning project was the Pennies for Patient fundraiser. Activities were conducted to raise money for cancer research. Participating in the St. Jude Math-A-thon, students were able to improve math skills and raise money for St. Jude Hospital, which treats serious ill children at no charge. Our Academic Challenge team participated in many competitions and made it to the regional finals again. This is the last year for Dillon One; we will be merging with Dillon Two to form Dillon Four.

At Lake View Middle, we continuously strive to create a climate of academic excellence for our students: "No Excuses, Striving for Excellence."
